## LIFE PHILOSOPHY

"Always think different, problems will be solved in minutes"

"Never afraid of being awkward in life, people who do different got the first step to Grand success"

## MOST PROUD OF

**Courage I had**  
to take a sinking ship and try to make it float

**Persistence & Loyalty**  
I tried to stay still and move forward even it seems everything goes down

**A2D™ reality**  
It seems to be a dream a year ago, but now after too many ups and downs, its become reality

**Inspiring other in tech**  
I always inspire others to do something new, something productive, regardless of the situation
